Index

General and personal references to Baruch Spinoza can be found under his main entry at 'Spinoza, Baruch'. He is referred to elsewhere in the index as 'BSp'.

General references to Spinoza's *Theological-Political Treatise* can be found under the main entry '*Theological-Political Treatise* (Spinoza) (TTP)'.

Since the index has been created to work across multiple formats, indexed terms for which a page range is given (e.g., 52–53, 66–70, etc.) may occasionally appear only on some, but not all of the pages within the range.
